

MIRAMAR FLYERS

Military Sponsor List

All civilians are reminded that:

- You may only access the flying field when there is a military member present at the field.
- Only military members may open or close the flying field
- Civilians must leave the field with the last military member

The following MRCF members have volunteered to provide sponsorship for civilian members accessing the flying field. If you plan on flying at the field and want to ensure that a military member will be present please contact one of the following members and ask them if they can support your needs:
