

MIRAMAR FLYERS

Active Duty and Retired Military Learn to Fly!

Celebrating 25 years of R/C Excellence
MRCF is a AMA Gold Leader Club # 3496

Our Club is dedicated to providing recreation for active and retired military, community service, and education.

We provide instructors and club trainer airplanes for new pilot training and host multiple AMA and club contests and fun flying events. We also support the local aviation community at events like the Miramar Air Show, Open Cockpit Days at the Leath-erneck Museum, Flights of Fancy Summer Camp , and many other activities throughout the year.

Join the Miramar Radio Control Flyers and Fly at the Premier Radio Control Airport in San Diego!

Miramar R/C Flyers (MRCF) is a military-based R/C Flying club located on Marine Corps Air Station, Miramar. Membership is restricted to Active Duty/Retired Military, DOD Civilians and their dependents who maintain a valid Military Identification card and have NORMAL base access. Military Membership is free to ranks E-5 and below.

For more information about our club and radio control flying visit the Miramar RC Flyers website and the Academy of Model Aeronautics website.
