Thank you to the MRCF Board of 2011. Your efforts to lead the club have been appreciated. Please welcome the incoming Board for 2012!

From the Left Seat:

The changes to the bylaws to allow mail in voting for club Officers passed overwhelmingly, so you can now vote on Officers even if you do not come to the Dec meeting, however with only one candidate on the slate for each position, turns out we don't need the changes for this year's ballot.

Congratulations, or condolences to Darren, Mark and Brad, your new President, Vice President and Secretary for next year.

Passing the baton is a bittersweet task, it's been a distinct pleasure serving you as your President the last 3 years and I think we've made some significant improvements in the physical layout of the field and in the way the club runs, but, on the other hand it's good to be able to be just another member again.

Hope everyone has a very Merry Christmas and Happy New Year.

See you at the field

Jerry

From the Right Seat:

Hi all this will be short, the Veterans Day Event did get rained out. Three members and I were at the gate with fingers crossed with no luck. We now have two more events before the end of the year. The first one is the Toys for Tots. Please come out to support this, bring someone you know to be a part of this. It is in part of our Gold Club awards.

The next one is the December Christmas Dinner/meeting, please go too the web and print the dinner sheet then get it in the mail with payment/ dinner chioce before December the 6th. We need to have the dinner count early Dec. I have enjoyed my time as the VP of the Miramar RC Flyers, you the membership made it happen for me and I truly Thank You for all of your help to make this club something to be PROUD OF. So in closing let's have the biggest turn outs for the next two events we can.

As Always I Thank you the members

Curtis Kitteringham
