**Welcome everyone to 2012! Hope all had a safe
and fun New Year's Eve.**

From the Left Seat:

I just wanted to take a quick moment to introduce myself and express my excitement about serving as your club president for the 2012 year. I have been a member here at MRCF for the last 5 years and have had the privilege of watching it grow it to San Diego's premier flying club. My goal for this year is to continue our support to the military and surrounding communities and continue to help build on the outstanding reputation we have built as we go forth into 2012.

A little about me, I am an active duty Navy Chief stationed on North Island. I am a Naval Aircrewman and Rescue Swimmer flying onboard the Navy's MH-60S Helicopter. I have been flying R/C for about 8 years getting my start in helicopters and now enjoying giant scale warbirds. I am currently sponsored by Scorpion/Cobra Motors and truly enjoy any opportunity I get to talk about model aviation at various trade shows and fun fly's in the southern California area.

As we prepare for the 2012 season our event calendar is beginning to fill up. As you know we are only successful due to the hard work of our membership. For the 2012 season I challenge all members to help get involved with the club. Help is always needed at the events and the various club maintenance days that help keep our field looking good for all to enjoy. I look forward to an outstanding 2012 flying season.

Fly safe and see you at the field.

Darren

From the Right Seat:

Ever since graduating from control line and free flight to my Falcon 56 I've been hooked on RC aircraft. I've flown AMA pattern & raced; I've flown off pavement, dirt, sand, and water; I love to scratch build and build kits and I enjoy bashing ARFs.

Mostly I enjoy hanging around with other RC pilots and just having a good time. It is both a pleasure and honor to follow in the footsteps of all the previous members and board members that have created such a great club. I look forward to serving the members of the MRCF. Hope to see you at the field and at some of the many off-site events we support during the year.

**Miramar Radio Control Flyers
Minutes of the Meeting**

**Held at the 94th
Aero Squadron**

President called the meeting to order at 1930 hrs.

The meeting was “abridged” to have a great dinner for the club members with their significant others.

A great thanks went out to the members that were part of the board for the 2011 year. The club also thanked members who were recognized for their contributions to the club with their time and effort.

For the incoming 2012 board, there are a mix of seasoned board members with a mix of new members. Thanks to all the members that accepted to be nominated for the 2012 board. It’s much more refreshing to see that more and more members are willing to help support the club and serve as board members and as chairpeople as designated by the board.

The military member of the year was Derek Post. The civilian member of the year was Mark Lukens.

Meeting adjourned at 1945 hrs.

Here are some pictures of the turnout that happened for Toys for Tots. Thanks again to all the people that donated toys for a good cause. The turnout was outstanding!

Thanks to the Junior ROTC group for helping to load up the toys onto the 7-ton truck.
