**A big thanks to the members that helped out at the
Miramar Air Show. It was a wonderful success!
See the meeting minutes.**

From the Left Seat:

Elections for club Officers for 2012 are eminent and if the recently distributed proposal to change the bylaws allowing mail-in ballots passes, the Nov meeting will be the last opportunity to nominate members for club office. Current Nominations include: President - Darren Hauptman Vice President - Mark Lukens Secretary - Don Madison; George Sager, Don Robinson and Sandy Sanderson have all graciously agreed to continue in their current positions. If you would like to nominate someone for office, if you would like to be nominated for office, or if you want to ensure you're not nominated in absentia, please come to the November meeting.

Veterans Day Scale fly-in is coming up. Always a good time to come out and see some nice scale airplanes, so dust off your scale airplane and come out and have a good time with us.

See you at the field,

Jerry

From the Right Seat:

The year 2011 is almost behind us with two more events at the club. The first one is the Veterans Day Scale Flyin on November the 12th and the Toys for Tots on December the 3rd. I am asking all members to show for the events with one or more hobby buddies from the area the more the better. The events will need help from the membership with the gate, signup and flight line with a little labor share all can have fun flying models.

We have two members that steeped up their modeling interest with the USSMA, they finished First and Second in Open Class at the Champs. They are Paul Stenberg and Tom Mulder, if you have been thinking about trying scale take some time and ask them how they got started and where they are going in scale.

See you at the club,

Curtis Kitteringham

OLD BUSINESS

Safety – Our new large field safety signs are completed and will be taken to the field for installation.

Membership – When sending in your 2012 membership applications, include your email address so we can communicate with you and receive the monthly newsletter. Please be sure to clearly write down the address since it will be rejected if improperly spelled.

Membership voting for new club officers by website or E-mail was discussed and would require a by-laws change to permit it. The proposed change in the by-laws will be sent out to the members this month (October) which will allow them to review changes and vote at the November meeting.

Voting for new officers will be conducted at the November meeting for 2012 (next year).

Darren reported on the club participation and booth at the Miramar Air Show. Members brought many static and flying models for display to the attendees. This year our club received excellent coverage by having Eric Sacco be the announcer to narrate the flying exhibition. Darren received many nice compliments for our club at the three day event. We would also like to recognize the members that put in the long days and made it a success: Mark Lukens , Tom Pham, George Sager, Bert Rakdham, Paul Stenberg, Curtis Kitteringham, Tom Mulder, Bob Mosley, Sandy Sanders, Matt Sanders, Eric Sacco and Darren Hauptman.

Scale Masters Championship on October 8th in Fresno was well attended. Club members Paul Stenberg and Tom Mulder came in first and second in the Open Class. Their scores also ranked in the top 10% of all scores.

Ron Peterka and Curtis came in 4ht in Team Scale.

NEW BUSINESS

Nominations for the 2012 club officers were opened with the following:

Darren Hauptman – President

Mark Lukens – Vice President

Sandy Sanders – Field Marshal

Don Robinson – Safety Coordinator

Nominations were then closed at the meeting.

Darren explained costs of our website for future years. Motion was approved to renew the domain name for 5 years at a cost of \$105.

Curtis reminded members of the Veteran's Day Fly In at the field on November 12th. Military and Civilian Scale models are required for entry.

Otay Lake Fun Fly is scheduled for October 22 by the Chula Vista club.

SHOW AND TELL
