I have read and will comply with the MRCF Addendum 1 to the Bylaws-Operations and Safety and will use narrow band 72 mhz or 2.4 frequency radio systems. Ham bands OK. I will pay close attention and use of the Frequency Control Board/Box Pins while flying at MRCF FLYING FIELD. I acknowledge the risk of injury to my person and property while participation in model airplane activities. I will rely on my own judgement and ability while participating in such activities and assume all risks of injury or damage arising out of such participation. I will not sue or make claim whatsoever against the MRCF, its officers ,or member guests, the organizers of events,or real property holders allowing the use of land or structures by the MRCF. I will not fly Quadcopters on base Miramar. I will not mount cameras on any model aircraft flown over MCAS MIRAMAR. I will not reveal the access gate lock combination to non-members of MRCF, no exceptions. This includes Annual Guest Flyers of MRCF. I understand the maintenance/upkeep of our Flying Field accepts any volunteer work/efforts to maintain its good condition.
